DUI CHARGES DISPOSED CALENDAR YEAR 2019 OLDHAM COUNTY

April 19, 2022

Statistics Request Overall Description

On April 19, 2022, the Oldham County Attorney requested from Research and Statistics a count of DUI charges disposed in Oldham County during calendar year 2019.

CourtNet, which provides a summary of cases statewide, was queried for DUI charges within cases disposed having a charge disposition date between 1/1/2019 – 12/31/2019 in Oldham County.

Statistical Tables (22_RS3087 & 22_RS3088)

Supplemental Listing 22_RS3087: Provides a list of DUI offenses queried for this report sorted by DUI Offense Categories (DUI 1st offenses, DUI 2nd offenses, DUI 3rd offenses, DUI 4th or subsequent offenses and DUI Other).

Statistical Table 22_RS3088: Provides DUI charges disposed 1/1/2019 – 12/31/2019 in Oldham County. The charges are sorted by DUI Offense Categories (DUI 1st offenses, DUI 2nd offenses, DUI 3rd offenses, DUI 4th or subsequent offenses and DUI Other).

Page 1: Provides a horizontal bar graph of DUI charges disposed during the requested timeframe. The chart is grouped by Jurisdiction and AOC Offense Category, with a separate color representing each of the reported charge disposition categories. Counts are provided for the number of charges disposed.

Page 2: Provides a cross table of DUI charges disposed during the requested timeframe. The table is grouped by Jurisdiction, charge disposition category and charge disposition type, and is sorted by AOC Offense Category.

Statistical Analysis Considerations:

- These statistics represent a snapshot in time as of April 19, 2022.
- A case may consist of one or more charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges associated with the case.
- Counts of cases do not necessarily represent counts of unique individuals. Charges consist of all original and amended charges within a case.

Disclaimer Associated with KCOJ/AOC Database(s) and Element(s)

RESEARCH AND STATISTICS DISCLAIMER

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at courts.ky.gov/aoc/statistical reports. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the
