### Statistics Request Overall Description

On March 27, 2024, Research & Statistics received a request for a report of CDW complaints from the counties of Knox, Laurel, and Whitley for Fiscal Year (FY) 2019 through FY 2023.

AOC CDWCMS, the case management and information system used by AOC Court Designated Workers, was queried for complaints filed between 7/1/2018 and 6/30/2023 in the counties of Knox, Laurel, and Whitley.

### Statistical Table (24\_CDW6001)

**Statistical Table 24\_CDW6001:** Provides four pages of information pertaining to CDW complaints filed in the counties of Knox, Laurel, and Whitley for fiscal years 2019 through 2023.

**Page 1:** Provides two cross-tabulations. The top table provides counts of distinct complaints and counts of charges within those complaints, grouped by the fiscal year of complaint filing date, whether the complaint was school related, complaint group type, and the maximum charge level within the complaint. The bottom table provides the same content as the top table but grouped by intake action instead of school related status. Both tables are limited to complaints filed in the counties of Knox, Laurel, and Whitley for fiscal years 2019 through 2023.

**Page 2:** Provides the same information found on page 1 but limited to Knox County rather than a combination of Knox, Laurel, and Whitley.

**Page 3:** Provides the same information found on page 1 but limited Laurel County rather than a combination of Knox, Laurel, and Whitley.

**Page 4:** Provides the same information found on page 1 but limited to Whitley County rather than a combination of Knox, Laurel, and Whitley.
