

COURT DESIGNATED WORKER COMPLAINTS FILED WITH DOMESTIC VIOLENCE-RELATED CHARGES CALENDAR YEAR 2021 STATEWIDE

August 25, 2022

Statistics Request Overall Description

On August 9, 2022, Research and Statistics received a request for a report of Court Designated Worker complaints with domestic violence-related charges for Calendar Year (CY) 2021.

The Court Designated Workers' Case Management System (CDWCMS) was queried for complaints filed with domestic violence-related charges from January 1, 2021 to December 31, 2021.

Domestic violence includes physical injury, serious physical injury, stalking, sexual abuse, strangulation, assault (or the infliction of fear thereof) between family members or members of an unmarried couple.¹ Kentucky law recognizes the same acts of violence occurring between persons in a dating relationship or who have been in a dating relationship as interpersonal violence.²

Statistical Report

The report consists of two pages:

Page 1 Provides a line graph with counts of CDW complaints filed with domestic violence-related charges filed CY21 Included is a cross-tabulation that shows the number of complaints and charges filed each month.

Page 2 Provides a cross-tabulation with a summary of the domestic violence-related charges filed by charge category and UOR description with a count of charges filed per calendar year.

Statistical Analysis Considerations

- The statistical information presented is a snapshot in time as of the date of the query.
- Counts of complaints do not equal a count of youth, since a youth may have multiple complaints. Counts of complaints do not equal a county of charges, since a complaint may have multiple charges.

Data Variables Requested

Database	Data Variable	Description
CDWCMS	Complaint	A verified statement containing allegations against a youth. A single complaint may contain one or more charges and a single youth may have one or more complaints.

RESEARCH AND STATISTICS DISCLAIMER for CDWCMS REQUESTS

The data from this report is provided from the Court Designated Worker program. Information received from the Court Designated Worker Program electronic case management system (CDWCMS) is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at courts.ky.gov/aoc/statisticalreports. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the accuracy of the information received from the official owner of the UOR Codes, the KSP.
