### Statistics Request Overall Description

On June 25, 2024, Research and Statistics received a request for an aggregate report of charges convicted in which the supplemental (ASCF) code of the convicted charge was a 3 (conspiracy), along with information as to whether the same case contained a base charge of the same offense, with a supplemental (ASCF) code of 0.<sup>1</sup>

CourtNet, which provides a summary of cases statewide, was queried for charges with an ASCF code of 3 that were convicted from 1/1/2021 through 6/30/2024. Additionally, CourtNet was also queried for charges with the same six-digit UOR code and an ASCF Code of 0 within cases containing one or more of the aforementioned ASCF code 3 convictions, or in a case with a Grand Jury cross-reference to one of those cases.

### Statistical Report (24\_RS6057)

This report provides 15 pages of data aggregations displaying counts of conspiracy charges that were convicted between 1/1/2021 and 6/30/2024 and/or counts of cases with one of those charges and a corresponding or cross-referenced base charge.

#### Report 24\_RS6057:

**Page 1** provides two stacked bar visualizations and a table. The visualizations display the count of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by the existence of any base charge(s) associated with the case (whether or not there is at least one matching base offense found either in the charge's case or in that case's cross-referenced grand jury case). Each bar is split into different colored segments, each representing the disposition status of any associated base charge(s). The visualization on the left covers conspiracy charges convicted in Circuit Court, and the visualization on the right covers District Court. The cross-tabulation at the bottom of the page displays the same counts represented in the visualization, but grouped on charge level and class of the conspiracy conviction instead of base charge disposition status. Additionally, a percent of overall total cases calculation is provided for each grouping.

**Page 2** provides a cross-tabulation with counts of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by jurisdiction, level and class, and disposition year/quarter. Additionally, counts of distinct cases that contain these charges are provided.

**Page 3** provides a cross-tabulation with counts of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by jurisdiction, base charge status, level and class, and disposition year/quarter. Additionally, counts of distinct cases that contain these charges are provided.

**Page 4** provides a cross-tabulation with counts of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by jurisdiction, Court Statistics Project (CSP) Case type, level and class, and disposition year/quarter. Additionally, counts of distinct cases that contain these charges are provided.

**Pages 5-9** provide a cross-tabulation with counts of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by jurisdiction, base charge status, charge county, and disposition year/quarter. Additionally, counts of distinct cases that contain these charges are provided.

**Pages 10-16** provide a cross-tabulation with counts of conspiracy charges convicted from 1/1/2021 through 6/30/2024, grouped by jurisdiction, base status, level and class, UOR code and description, and disposition year/quarter. Additionally, counts of distinct cases that contain these charges are provided. Pages 10-14 cover Circuit Court, and pages 15 & 16 cover District Court.

### **Statistical Analysis Considerations:**

- These statistics represent a snapshot in time as of the date the data was queried (10/9/2024).
- A case may consist of one or multiple charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges within the case.
- Counts of cases do not necessarily represent counts of unique individuals.
- Many, but not all, charges heard in Circuit Court were previously heard in District Court and indicted by the grand jury. As such, the sum of charges in District and Circuit Court will count some indicted charges twice and totals from the two jurisdictions are presented separately.
- Most indicted charges are recorded in CourtNet as final charge dispositions in District Court and then a new case will be started in Circuit Court. Not all indictments are followed by convictions in Circuit Court, and some charges are indicted directly to Circuit Court without being preceded by a District Felony case.
- A case may consist of charges that fall under different combinations of variables within a table. In this situation, the case is added to the case count for each combination that applies to at least one charge within the case. Each subtotal displays the quantity of distinct cases and charges for that combination, causing subtotals of case counts to add up to a number greater than the actual overall total.
- 14.38% of District Court cases disposed from 1/1/2021 through 9/18/2024 with at least one indictment did not have a grand jury cross-reference (15,815 without grand jury cross-reference out of 109,979 cases with at least one indictment in District Court).

Data Variables Requested		
	CSP Type	The case type associated with this offense as defined by the National Center for State Courts: Court Statistics Project. <sup>2</sup>
	Charges	A count of total charges of the specified offense(s).
	Cases	A count of the distinct cases including any of the specified charges.
	UOR Code	A numeric label for a specific statute-based charge used in a Uniform Offense Report. The first six digits of a UOR Code are unique to each statutory offense. The seventh digit ranges from 0 through 6. A final "0" indicates that only the underlying statutory offense is charged. "1" indicates that an attempt has been charged. "2" shows a solicitation charge. "3" shows a conspiracy charge. "4" shows a facilitation charge. "5" shows a complicity charge. "6" shows that the underlying charge has been enhanced.
	UOR Description	The description of the specific offense the defendant is formally accused of committing.
	Charge Level	<p>The offenses are classified for the purpose of sentencing penalty level of the offense. The charge level is determined by the UOR's ASCF code. Charge levels by highest to lowest include:</p> <ul style="list-style-type: none"> <li>• <b>Felony:</b> A serious criminal offense punished by one year or more of prison incarceration or death.</li> <li>• <b>Misdemeanor:</b> A criminal offense less serious than a felony punished by less than one year of confinement in a county jail.</li> <li>• <b>Violation:</b> A criminal offense punished only by a fine or penalty other than those specified above.</li> <li>• <b>Other:</b> A UOR code used for administrative purposes, Uniform Juvenile Code (UJC) offenses or that does not indicate a typical criminal offense. Examples include Contempt of Court and Violation of Release Conditions.</li> </ul> <p>This report is limited to felony and misdemeanor charges.</p>
	Charge Class	<p>Narrower classification of sentencing penalty than charge level. Charge Class indicates gradations of penalty severity of Felony and Misdemeanor Level offenses defined by the period of imprisonment. Felony charges include classes A, B, C, and D; misdemeanor charges include classes A and B. "X" is used to indicate any charges of unknown or ambiguous class.</p> <ul style="list-style-type: none"> <li>• Class A Felony: 20 years or greater. All capital offenses are also Class A Felonies.</li> <li>• Class B Felony: Ten years or greater and less than 20 years.</li> <li>• Class C Felony: Five years or greater and less than ten years.</li> <li>• Class D Felony: One year or greater and less than five years.</li> </ul>

#### RESEARCH AND STATISTICS DISCLAIMER

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

#### RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at [www.kentuckystatepolice.org](http://www.kentuckystatepolice.org).

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at <https://kycourts.gov/AOC/Information-and-Technology/Analytics/Pages/default.aspx>. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "\*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case

Statistical Analysis Considerations

\* Data provided from the CourtNet Database.

\* A case may consist of charges with differing values within a table. In this situation, the case is added to the case count for each combination that applies to at least one charge within the case. Each subtotal displays the quantity of distinct cases and charges for that combination, causing subtotals of case counts to add up to a number greater than the actual overall total.

\* 14.38% of District Court cases disposed from 1/1/2021 - 10/9/2024 with at least one indictment did not have a grand jury cross-reference (15,815 without grand jury cross-reference out of 109,979 cases with at least one indictment in district court)

Each subtotal displays the quantity of distinct cases and charges for that combination, causing subtotals of case counts to add up to a number greater than the actual overall total.

\* 14.38% of District Court cases disposed from 1/1/2021 - 10/9/2024 with at least one indictment did not have a grand jury cross-reference (15,815 without grand jury cross-reference out of 109,979 cases with at least one indictment in district court)
