Statistics Request Overall Description

On January 20, 2025, Research and Statistics received a request for a report of the number of cases filed statewide during Calendar Years (CY) 2019 through 2024 including Driving Under the Influence (DUI) charges.

CourtNet, which provides a summary of cases statewide, was queried statewide for cases with Case Filing Dates from 1/1/2019 through 12/31/2024 including at least one charge of an offense included in the attached list.

This data was combined with data reflecting the United States Census 2023 county population estimates for Kentucky¹ for residents ages 15 or older.

Statistical Report (25_RS8001)

This report consists of 911 pages.

Page 1: Area Charts: Month of Filing, Case-Level Offense Number Charged

The first page of the report includes a pair of area charts visually representing the trends in the number of cases including DUI charges grouped by the highest offense number charged (First Offense, Second Offense, Third Offense, or Fourth or Greater Offense; and cases with only Boating Under the Influence charges counted separately) within each case over the course of the requested range of dates. The height of the shaded area represents the number of cases filed per month with the color of the shaded area corresponding to each case's highest offense number charged. The chart at the top includes cases filed in District Court and the chart at the bottom includes cases filed in Circuit Court.

Statistical Report (25_RS8001)

Page 2-3: Case Cross-Tabulations: Month of Filing, Case-Level Offense Number Charged

The second and third pages of the report include the same information seen on page 1 presented as cross-tabulations, with counts of cases grouped by the month of the Case Filing Date and the highest offense number charged in each case. Page 2 includes cases filed in District Court and Page 3 includes cases filed in Circuit Court.

Pages 4-11: County Maps, Cases Filed per 10k Residents

The next series of pages includes maps presenting the number of cases filed in each county per 10,000 residents according to the 2023 US Census population estimates for residents ages 15 or older. The maps on each page are as follows:

- Page 4: District Court Cases Filed CY 2019-2024
- Page 5: Circuit Court Cases Filed CY 2019-2024
- Page 6: District Court Cases Filed CY 2019
- Page 7: District Court Cases Filed CY 2020
- Page 8: District Court Cases Filed CY 2021
- Page 9: District Court Cases Filed CY 2022
- Page 10: District Court Cases Filed CY 2023
- Page 11: District Court Cases Filed CY 2024

On each map, the color of the county corresponds to this number of cases filed. Colors ranging from blue to gray represent numbers ranging from zero cases per 10,000 residents to the statewide number of cases per resident shown on each map. Colors from gray to dark orange represent numbers ranging from the statewide number of cases on each map up to an upper bound as follows:

- Page 4: 1,000 cases
- Page 5: 200 cases
- Pages 6-11: 150 cases

Any counties with a number of cases per 10,000 residents greater than the number indicated are shaded with the same dark orange color. Each map also includes a presentation of the total number of cases for the indicated date range and the statewide number of cases per 10,000 residents.

Pages 12-30: Statewide Charges: AOC Offense Category, UOR Code, Year of Case Filing Date

Pages 12 through 30 include cross-tabulations presenting counts grouped by AOC Offense Category, Offense (UOR Code, Statute, and Description) and the year of Case Filing Date. The table includes counts of overall cases filed as well as the number of distinct cases including any of these charges. The table on Pages 12 through 22 includes cases filed in District Court, and the table on pages 23 through 30 includes cases filed in Circuit Court.

Pages 31-911: County Charges: AOC Offense Category, UOR Code, Year of Case Filing Date

The remaining pages of the report include similar cross-tabulations that, in addition to all of the counts and groups described in the previous section, additionally group the counts by the county in which each case was filed. The table from pages 31-572 includes cases filed in District Court. The table from pages 573 to 911 includes cases filed in Circuit Court.

Statistical Report (25_RS8001)

Statistical Analysis Considerations:

- These statistics represent a snapshot in time as of the date the data was queried (1/24/2025)
- A case may consist of one or multiple charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges within the case.
- Counts of cases do not necessarily represent counts of unique individuals.

Data Variables Requested

Database	Data Variable	Description
CourtNet	Case Filing Date	The date each case was filed. Case Filing Date is grouped by Calendar Year (CY, January 1 through December 31) in this report.
	County	The County in which a case was filed.
	UOR Code	A numeric label for a specific statute-based charge used in a Uniform Offense Report. The first six digits of a UOR Code are unique to each statutory offense. The seventh digit ranges from 0 through 6. A final "0" indicates that only the underlying statutory offense is charged. "1" indicates that an attempt has been charged. "2" shows a solicitation charge. "3" shows a conspiracy charge. "4" shows a facilitation charge. "5" shows a complicity charge. "6" shows that the underlying charge has been enhanced.
	KRS	The Kentucky Revised Statutes reference for the statute defining the offense.
	UOR Description	The description of the specific offense of which the defendant has been convicted.
	AOC Offense Category	A classification of offenses identified by UOR Code used by Research & Statistics to group similar offenses for reporting purposes. In this report, DUI offenses are put into the following groups: • DUI First Offense • DUI Second Offense • DUI Third Offense • DUI Fourth Offense • DUI Other In this report, the group <i>DUI Other</i> is limited to offenses related to boating or using watercraft under the influence. AOC Offense Category is used to group individual charges. A case may include charges from more than one AOC Offense Category. The related field <i>Case Max DUI Offense Number</i> below categorizes entire cases instead. The attached list

CHARGES OF SPECIFIED OFFENSES CONVICTED CY 2019-2024 STATEWIDE

Data Variables Requested		
		identifies the specific UOR Codes corresponding to each AOC Offense Category.
	Case Max DUI Offense Number	This field classifies cases, which may include charges of one or more of the queried offenses, using the following hierarchical logic: • DUI Fourth+ Offense: The case includes at least one charge in the AOC Offense Category <i>DUI Fourth Offense</i>. • DUI Third Offense: The case includes at least one charge in the AOC Offense Category <i>DUI Third Offense</i> and no charges in the AOC Offense Category <i>DUI Fourth Offense</i>. • DUI Second Offense: The case includes at least one charge in the AOC Offense Category <i>DUI Second Offense</i> and no charges in the AOC Offense Categories <i>DUI Fourth Offense</i> or <i>DUI Third Offense</i>. • DUI First Offense: The case includes at least one charge in the AOC Offense Category <i>DUI First Offense</i> and no charges in the AOC Offense Categories <i>DUI Fourth Offense</i>, <i>DUI Third Offense</i>, or <i>DUI Second Offense</i>. • Boating Under the Influence: The case includes at least one charge in the <i>DUI Other</i> AOC Offense Category and no other DUI charges.
	Charges	A count of total separate charges of the specified offense(s) within the reported cases filed.
	Cases	A count of the distinct cases including any of the specified charges.
	Cases per 10k Residents	The number of cases filed divided by the US Census 2023 Population Estimate for each county or for the Commonwealth of Kentucky as a whole for residents ages 15 or older.

RESEARCH AND STATISTICS DISCLAIMER

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at <https://kycourts.gov/AOC/Information-and-Technology/Analytics/Pages/default.aspx>. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

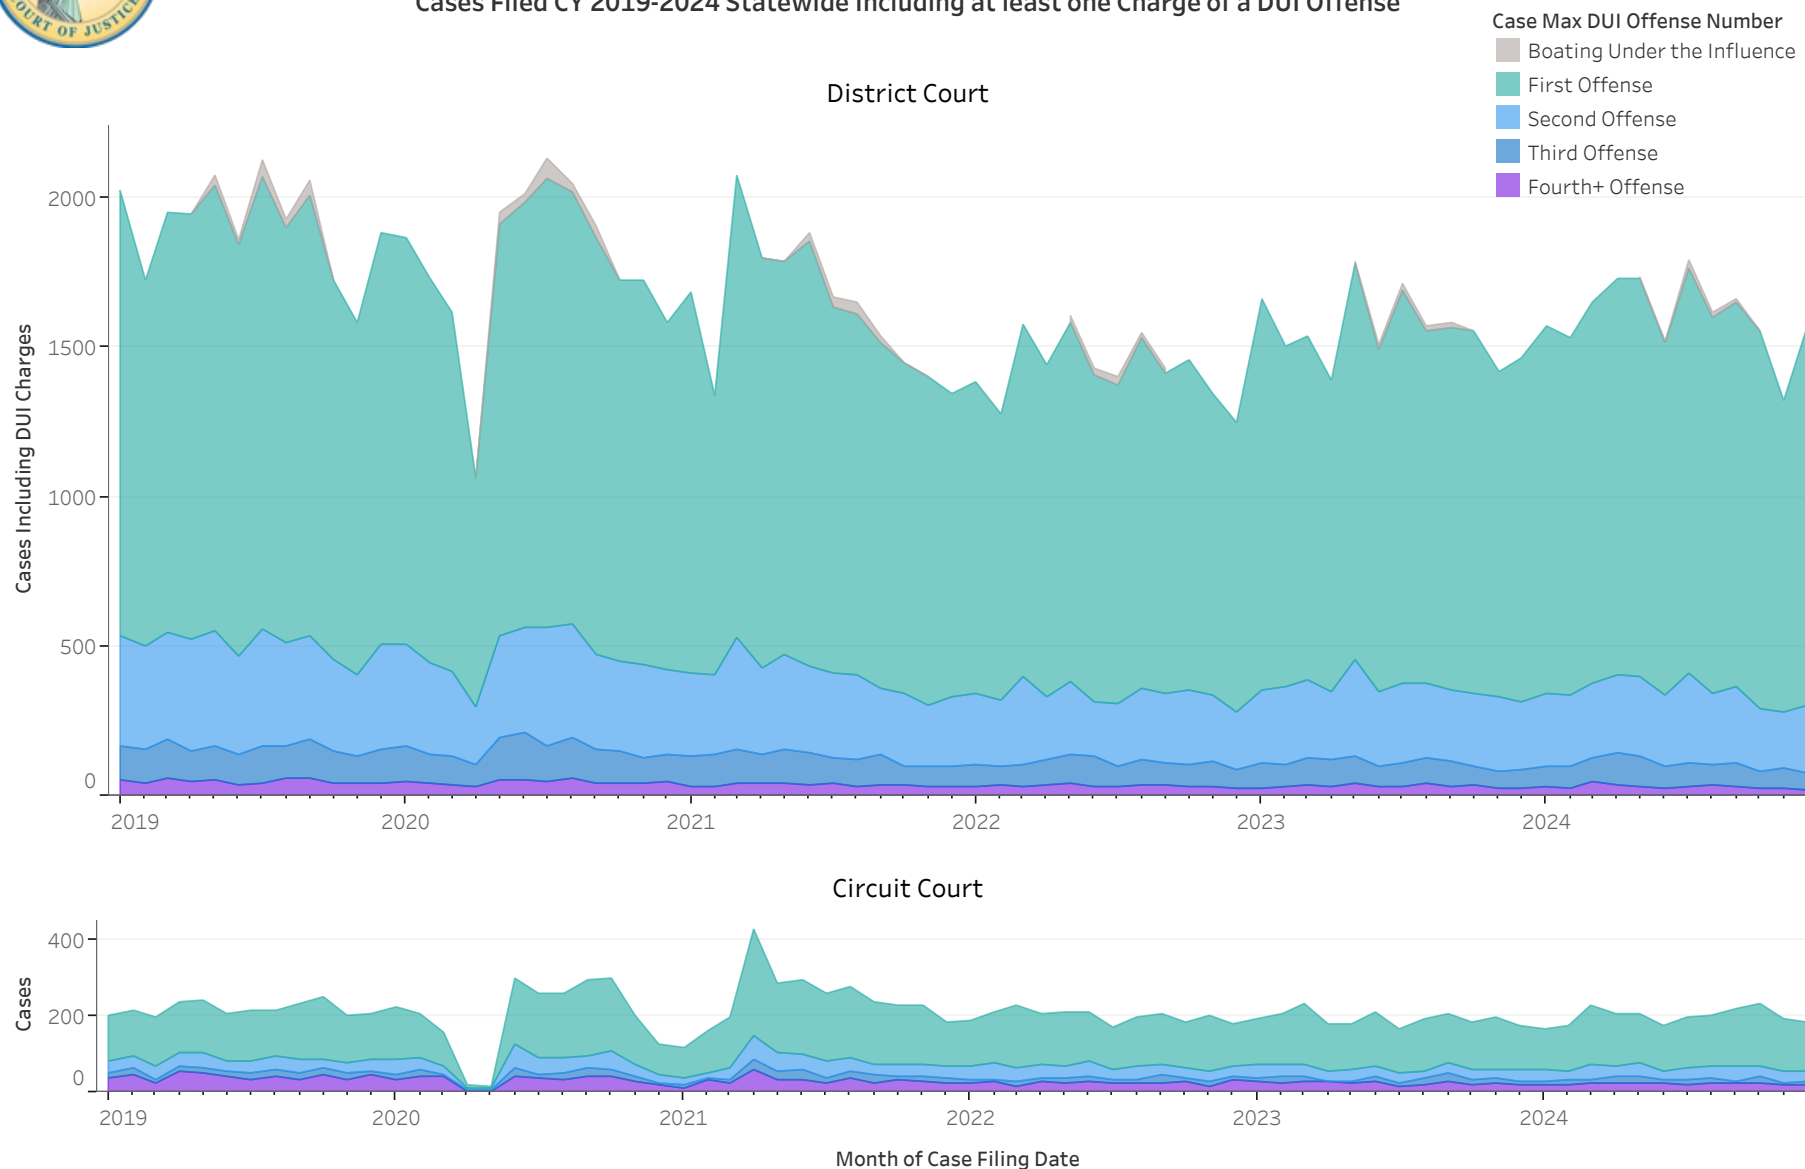

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the accuracy of the information received from the official owner of the UOR Codes, the KSP. Furthermore, the AOC shall not be liable to the recipient, the recipient's heirs and assigns, next of kin or to any third party, for any and all claims, demands, losses or damages arising from the usage of this list and/or information contained therein.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

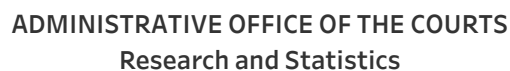

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.

Statistical Analysis Considerations

* Data provided from the CourtNet Database.

* A case may contain one or more charges and a single defendant may be involved in multiple cases over time.

* A case may contain an initial charge of First Offense DUI and later have this charge amended up to a charge of Second, Third, or Fourth + Offense DUI once prior charges are identified against the defendant. In this section of the report, both the initial charge and the subsequent charge are counted separately.
