Statistics Request Overall Description

On August 19, 2024, Research & Statistics received a request for a report of all seatbelt and child restraint related charges within cases filed statewide during calendar year 2023. It was also requested that the results be broken down by county.

CourtNet, which provides a summary of cases statewide, was queried for the number of seatbelt and child restraint charge(s) within cases filed between January 1, 2023, and December 31, 2023 (CY 2023) statewide.

Statistical Tables (21_RSX6000, 21_RSX6001)

Report 21_RSX6000

This report contains a supplemental charge list of base offenses identified as being related to seatbelts or child restraints.

Report 21_RSX6001

This report presents the number of seatbelt and child restraint offenses filed statewide during CY 2023. The results are grouped by jurisdiction, county, and UOR code. Total counts of charges and cases are provided. Two statewide summaries, one grouped by jurisdiction, the other grouped by jurisdiction and UOR code, are provided.

Statistical Analysis Considerations:

- The statistics presented are a snapshot in time as of the date the data was queried.
- A case may consist of one or multiple charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges associated with the case.
- Counts of cases do not necessarily represent counts of unique individuals.
- Charges consist of all original and amended charges within a case.
- Charges include ASCF Codes: 1 - Attempt, 2 - Solicitation, 3 - Conspiracy, 4 - Facilitation, 5 - Complicity, 6 - Enhancement.

A UOR code on a citation typically begins with the second digit as encoded here. The seventh digit ranges from 0 through 6 and is used to indicate inchoate variants of the underlying offense, which may alter the penalty.</p> <ul style="list-style-type: none"> • 0: The base offense is charged with no inchoate variant. • 1: Attempt • 2: Solicitation • 3: Conspiracy • 4: Facilitation • 5: Complicity • 6: Enhanced

RESEARCH AND STATISTICS DISCLAIMER

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at courts.ky.gov/aoc/statisticalreports. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not

Disclaimer Associated with KCOJ/AOC Database(s) and Element(s)

have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the accuracy of the information received from the official owner of the UOR Codes, the KSP. Furthermore, the AOC shall not be liable to the recipient, the recipient's heirs and assigns, next of kin or to any third party, for any and all claims, demands, losses or damages arising from the usage of this list and/or information contained therein.
