Statistics Request Overall Description

On June 25, 2024, Research and Statistics received a request for an aggregate report of public intoxication, loitering, disorderly conduct, indecent exposure, harassment, menacing, sex offender registration violation, trespassing, and unlawful camping charges within cases filed statewide.

CourtNet, which provides a summary of cases statewide, was queried for the requested types of charges that were within cases filed from 1/1/2021 through 6/30/2024. Additionally, CourtNet was also queried for the specified charges that were disposed during the same time frame. The offenses included in this report are provided in a supplemental UOR list.

Statistical Report (24_RS6056A & 24_RS6056B)

These reports provide a combined 104 pages of data aggregations displaying counts of specified charges that were either within cases filed from 1/1/2021 through 6/30/2024 or were disposed during that time frame.

Report 24_RS6056A:

Page 1 provides a line chart that displays the number of charges within cases filed in Circuit Court from 1/1/2021 through 6/30/2024 by case filing month and offense type. Each offense type is represented by a different colored line.

Pages 2-9 provide a series of stacked bar charts that display the percent of charges by disposition group for each disposition month among charges disposed in Circuit Court from 1/1/2021 through 6/30/2024. Each bar represents one month of charges disposed and is split into different colored segments, each representing a disposition group. Each page is limited to a specific offense type. Page 2 covers disorderly conduct, page 3 covers harassment, page 4 covers indecent exposure, page 5 covers loitering, page 6 covers menacing, page 7 covers public intoxication, page 8 covers sex offender registry violations, and page 9 covers trespassing.

Pages 10-18 provide the same information displayed on pages 1-7 but for District Court.

Statistical Report (24_RS6056A & 24_RS6056B)

Report 24_RS6056B:

Pages 1-3 provide a cross-tabulation that displays counts of specified charges within cases filed in Circuit Court between 1/1/2021 and 6/30/2024. These counts are broken down by Offense Type, Case Filing Year, and Case Filing Month. Additionally, counts of distinct cases that contain these charges are provided.

Pages 4-12 provide a cross-tabulation that displays counts of specified charges within cases filed in Circuit Court between 1/1/2021 and 6/30/2024. These counts are broken down by Offense Type, UOR Code and Description, Case Filing Year, and Case Filing Month. Additionally, counts of distinct cases that contain these charges are provided.

Pages 13-31 provide the same information as pages 1-12, but for cases filed in District Court.

Pages 32-35 provide a cross-tabulation that displays counts of specified charges within disposed in Circuit Court between 1/1/2021 and 6/30/2024. These counts are broken down by Offense Type, Disposition Category, Case Filing Year, and Case Filing Quarter. Additionally, counts of distinct cases that contain these charges are provided.

Pages 36-48 provide a cross-tabulation that displays counts of specified charges within disposed in Circuit Court between 1/1/2021 and 6/30/2024. These counts are broken down by Offense Type, UOR Code and Description, Disposition Category, Case Filing Year, and Case Filing Quarter. Additionally, counts of distinct cases that contain these charges are provided.

Pages 49-76 provide the same information as pages 32-48, but for cases filed in District Court.

Pages 77-86 provide a list of charges queried for the report by Offense Type, UOR code, KRS, Offense Description, and Charge Level and Class.

Statistical Analysis Considerations:

- These statistics represent a snapshot in time as of the date the data was queried (9/23/2024).
- A case may consist of one or multiple charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges within the case.
- Counts of cases do not necessarily represent counts of unique individuals.
- Many, but not all, charges heard in Circuit Court were previously heard in District Court and indicted by the grand jury. As such, the sum of charges in District and Circuit Court will count some indicted charges twice and totals from the two jurisdictions are presented separately.
- Most indicted charges are recorded in CourtNet as final charge dispositions in District Court and then a new case will be started in Circuit Court. Not all indictments are followed by convictions in Circuit Court, and some charges are indicted directly to Circuit Court without being preceded by a District Felony case.
- A case may consist of charges that fall under different combinations of variables within a table. In this situation, the case is added to the case count for each combination that applies to at least one charge within a case. Each subtotal displays the quantity of distinct cases and charges for that combination, causing subtotals of case counts to add up to a number greater than the actual overall total.

RESEARCH AND STATISTICS DISCLAIMER

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at <https://kycourts.gov/AOC/Information-and-Technology/Analytics/Pages/default.aspx>. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code.

However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the accuracy of the information received from the official owner of the UOR Codes, the KSP. Furthermore, the AOC shall not be liable to the recipient, the recipient's heirs and assigns, next of kin or to any third party, for any and all claims, demands, losses or damages arising from the usage of this list and/or information contained therein.
