CHIEF JUSTICE

BOURBON SCOTT & WOODFORD COMMUNITY CORRECTIONS PLAN

Mental Health Court Procedures

VERSION: September 20, 2024

MISSION

The mission of Bourbon, Scott & Woodford – Mental Health Court (BSW-MHC) is to protect public safety and reduce the recidivism rate of offenders with a diagnosed mental illness or co-occurring mental illness and substance use disorder by increasing their wellness. Using an integrated approach involving court supervision, mental health treatment services, education, employment, and personal accountability, BSW-MHC seeks positive and long-lasting life changes.

GOALS

The primary goals of BSW-MHC are to:

- Connect criminal defendants who suffer from serious mental illness to treatment services in the community.
- Find appropriate dispositions to criminal charges, taking into consideration the facts of each case and prior criminal history.
- Ensure public safety and reduce recidivism and violence on re-arrest through appropriate mental health treatment and intensive supervision.
- Increase collaboration between the court, counsel, city agencies, non-profits, and community mental health treatment services.

KEY COMPONENTS OF MENTAL HEALTH COURT

All mental health court programs shall include the following key components:

- Mental Health Courts shall integrate mental health treatment services with justice system case processing.
- Using a non-adversarial approach, prosecution and defense counsel promote public safety while protecting participants' due process rights.
- Eligible participants are identified early and promptly placed in a Mental Health Court program.
- Mental Health Court provides a continuum of mental health treatment services.
- Compliance is monitored by frequent testing, compliance with treatment providers, and case management.
- A coordinated strategy governs Mental Health Court responses to participants' compliance.
- Ongoing judicial interaction with each Mental Health Court participant is essential.
- Monitoring and evaluation measure the achievement of Mental Health Court goals and gauge effectiveness.
- Continuing interdisciplinary education promotes effective Mental Health Court planning, implementation, and operations.
- Forging partnerships among Mental Health Court, public agencies, and community-based organizations generates local support and enhances Mental Health Court effectiveness.

MENTAL HEALTH COURT DEFINITIONS

"Administrative discharge" means the discharge of a participant from Mental Health Court due to the participant's inability to complete Mental Health Court through no fault of his/her own.

"Agreement of Participation" means the written agreement required to be signed by all potential Mental Health Court participants prior to the determination of eligibility for Mental Health Court. The agreement of participation will include the requirements of the program for each phase. The standard terms of the agreement may be altered, added to, or subtracted from by agreement of the Commonwealth, the

Defendant and the Court.

"Approved local diversion procedures" means pretrial diversion procedures authorized by the Kentucky Supreme Court within the 14th Judicial Circuit & District.

"Assessment" means a tool used by Mental Health Court staff to evaluate mental health, treatment history, drug use history, and drug dependency for purposes of determining whether a defendant will be considered for admission into Mental Health Court.

"COJ" means the Court of Justice.

"Eligible offenses" are offenses deemed to be caused by, arising out of, or a result of untreated or improperly treated mental health conditions, including Axis I disorders, but excluding violent offenses and sexual offenses.

"Home visit" means the on-site appearance of Mental Health Court staff at the participants home for the purpose of verifying stable, crime free housing, compliance with curfews, and verification of living conditions appropriate for Mental Health Court participants.

"Incentives" means tangible or intangible rewards earned by participants for positive steps taken toward attaining a crime free lifestyle, and may include, but are not limited to, promotion to the next phase, certificates and tokens, decreased supervision, increased privileges and responsibilities, praise from the judge and BSW-MHC team, extended curfews, and other individual incentives approved by BSW-MHC team.

"Involuntary termination" means the termination by the judge of a participant from Mental Health Court due to the participant's non-compliance with Mental Health Court's requirements, rules, or conditions.

"Justice system case processing" means the way a case is processed within the Kentucky COJ, as reflected in Ky courts or the current COJ case management system.

"Mental Health Court" means the Bourbon, Scott & Woodford - Mental Health Court, which is an alternative sentencing court authorized by the Kentucky Supreme Court. Mental Health Court combines case management, judicial oversight, treatment, mental health assessments, and drug testing, and includes, but is not limited to, the implementation of curfews, service adjustments, and incentives.

"Mental Health Court administrator" means the employee appointed by the BWS - MHC to support Mental Health Court and administer and oversee its funding.

"Mental Health Court graduation" means the ceremony acknowledging the successful completion of Phases I, II, III, and IV of Mental Health Court.

"Mental Health Court judge" means a judge who, in addition to his/her regular judicial duties, conducts Mental Health Court sessions and staffing, monitors and reviews the participant's progress in Mental Health Court, imposes service adjustments and incentives, and facilitates other components of Mental Health Court as identified and required by BSW-MHC, consistent with these rules.

"Mental Health Court staff" means personnel hired and employed to work with BSW-MHC who

perform the daily operations of Mental Health Court, including, but not limited to, providing case management for participants, attending Mental Health Court staffing and sessions, and coordinating mental health assessments and drug testing as needed.

"Mental Health Court team" means the non-adversarial group that promotes public safety while acting in the best interest of the public and the participant, and that determines the appropriate responses for a participant's compliance or non-compliance with Mental Health Court requirements. While BSW-MHC team determines responses for a participant's compliance or non-compliance, BSW-MHC judge has the ultimate decision-making authority. BSW-MHC team is comprised of BSW-MHC judge(s), Mental Health Court staff, law enforcement, prosecutor(s), defense counsel, and treatment provider(s). Optional members with each Mental Health Court may be representatives from the Department of Probation and Parole, the circuit court clerk's office, the community, and other ancillary agencies.

"Mental Health Court support personnel" means interns and volunteers, including but not limited to, staff supplied by other agencies not employed by BSW-MHC, who work with BSW-MHC.

"Notice of Eligibility" means the document provided to the sentencing judge following the defendant's assessment wherein a determination of eligibility or ineligibility for admission to Mental Health Court is made.

"Phase" means a set of minimum and distinct criteria required of a Mental Health Court participant.

"Receiving judge" means the judge conducting a Mental Health Court docket.

"Referring judge" means the judge who refers a defendant to be assessed for eligibility for Mental Health Court.

"Service Adjustments" aka electives and consequences means the range of consequences imposed for the participant's failure to comply with the requirements or other conditions of Mental Health Court, which are appropriate, consistent, and immediately applied. Service Adjustments may include, but are not limited to, coaching from the judge, residential treatment and other treatment adjustments, community service, delayed phase promotion, increased group sessions, home incarceration, and termination from Mental Health Court. Imprisonment in a detention facility is not to be used as a service adjustment, but may be used by the judge if the judge, in his or her discretion, has concerns for the health and safety of the participant or the safety of the community and only so long as necessary to arrange for other service adjustments.

"Sentencing judge" means the judge who sentences the defendant in the underlying criminal case.

"Session" means the scheduled appearance of the participant before presiding Mental Health Court judge, during which the progress of the participant is reviewed and discussed, and assignments, verifications, or other requested information is provided to the judge by the participant.

"Staffing" means meetings held by BSW-MHC team, including the judge, prior to a Mental Health Court session, for the purpose of discussing the participants' progress.

"Treatment program" means a residential program for a participant which provides a setting for mental health or substance abuse treatment.

"Treatment provider" means an individual or agency licensed or certified to provide treatment and counseling to Mental Health Court participants as specified by BSW-MHC.

"Voluntary termination" means the termination by BSW-MHC judge of a participant from Mental Health Court, at the participant's request, but only after a determination has been made that the request was knowingly and voluntarily made.

ELIGIBILITY FOR MENTAL HEALTH COURT

Upon receipt of a written order of referral from a judge, BSW-MHC staff shall determine whether a person is eligible for the program using the following criteria. The person:

1. Shall have a verifiable mental illness that can be treated;
2. Shall be eligible for diversion or probation or shall have been found in contempt of court;
3. May be referred pretrial based on a referral of the prosecutor;
4. Shall not be a "sex offender" as defined by KRS 17.550; and
5. Shall not be a "violent offender" as defined by KRS 439.3401, as an offender who is either charged with, or previously convicted of:
   a. A capital offense;
   b. A Class A felony;
   c. A Class B felony involving the death of the victim or serious physical injury to a victim;
   d. An offense described in KRS 507.040 or 507.050 where the offense involves the killing of a peace officer or firefighter while the officer or firefighter was acting in the line of duty;
   e. The commission or attempted commission of a felony sexual offense described in KRS Chapter 510;
   f. Engaging in incest as described in KRS 530.020(2)(b) and (c);
   g. Use of a minor in a sexual performance as described in KRS 531.310;
   h. Promoting a sexual performance by a minor as described in KRS 531.320;
   i. Unlawful transaction with a minor in the first degree as described in KRS 530.064(1)(a);
   j. Human trafficking under KRS 529.100 involving commercial sexual activity where the victim is a minor;
   k. Criminal abuse in the first degree as described in KRS 508.100; and
   l. Burglary in the first degree accompanied by the commission or attempted commission of an assault described in KRS 508.010, 508.020, 508.032, or 508.060.

The evaluator shall examine which services the person can utilize. The evaluator shall report the possible services back to the court.

1. Any person who would not otherwise qualify for participation in the Court may be admitted to BSW-MHC by mutual agreement of the prosecutor, defense counsel, and the Court. If a defendant is determined to be ineligible for Mental Health Court, Mental Health Court staff shall inform the referring judge in writing using the form prescribed by BSW-MHC. The evaluator will include reasons as to the candidate's ineligibility.
2. A determination of competence to stand trial and enter a guilty plea shall be made by the referring court.

3. Defense counsel shall review waivers with candidate prior to acceptance into Mental Health Court.
4. If a defendant is determined to be eligible for the program, Mental Health Court staff shall thoroughly explain Mental Health Court and the Agreement of Participation to the defendant.
5. The Agreement of Participation shall include standardized requirements for each phase of the program. The requirements may be altered on a case-by-case basis to suit the needs of the individual defendant. Any alteration of standard phase criteria must be done by agreement of the parties. The defendant will sign the Agreement of Participation. If a defendant refuses to sign the Agreement of Participation, Mental Health Court staff shall notify the referring judge by utilizing the Notice of Eligibility form prescribed by BSW-MHC. Refusal by the defendant to sign the Agreement of Participation shall render him or her ineligible to participate in Mental Health Court.
6. After completing the assessment, Mental Health Court staff shall complete a Notice of Eligibility on a form prescribed by BSW-MHC. The assessment, the Notice of Eligibility form, and any other pertinent information regarding the defendant shall be completed and submitted to BSW-MHC team prior to the defendant's next scheduled court appearance.

Referrals to Mental Health Court

A defendant shall be referred to Mental Health Court through one of the following procedures:

1. An order of diversion: referral to Mental Health Court may be made utilizing approved local diversion procedures but only after an order of diversion has been entered. Diversion shall be the favored method of revolving charges through mental health court.
2. An order of probation: a referral to Mental Health Court may be made at any time during probation, including a referral in lieu of revocation. A defendant who is referred to Mental Health Court by an order of probation shall have entered a guilty plea or been found guilty of an eligible offense. The referring judge, *sua sponte*, or upon request of the attorney for the defendant or another interested party, may order a defendant to be referred to Mental Health Court for a determination of the defendant's eligibility. After a defendant is deemed eligible, the sentencing judge may order the defendant to enter and complete Mental Health Court as a requirement of their probation.
3. An order of contempt of court: any judge may refer a person charged with contempt of court to Mental Health Court in lieu of being incarcerated on the contempt charge, but only after an order of contempt has been entered.

BSW-MHC Staffing

1. Mental Health Court presiding judge and BSW-MHC staff shall attend staffing prior to a Mental Health Court session. The prosecutor, defense attorney, and other BSW-MHC team members are encouraged to attend these Staffings. BSW-MHC staffing shall be confidential and non-team members shall not attend absent extraordinary circumstances. Non-team members can be allowed to attend the staffing, but only upon approval by judge and after signing a confidentiality agreement.
2. At a Mental Health Court staffing, BSW-MHC team shall discuss the following:
   a. Whether to admit potential participants into Mental Health Court;
   b. Appropriate electives/service adjustments for violations by current participants;

c. Achievements and phase advancement of participants who will appear at Mental Health Court docket; and
d. Other pertinent issues relating to Mental Health Court.

Admissibility into Mental Health Court
Upon receipt of the assessment, Notice of Eligibility, Agreement of Participation and other pertinent information regarding the defendant, BSW-MHC judge and team shall determine whether the person may be admitted into Mental Health Court. To determine admissibility, the judge and BSW-MHC team shall evaluate the following:

1. Current criminal charge(s)/conviction(s);
2. Past criminal conviction(s) (if any);
3. Results of the assessment;
4. Information regarding the victims, if any;
5. Defendant's willingness to participate; and
6. Other relevant information as identified by BSW-MHC judge and team members.

Transfer of Case to Mental Health Court
Upon a determination of admission to Mental Health Court, and upon the defendant's acceptance of the offer to enter Mental Health Court, the sentencing judge shall complete an order transferring the case to Mental Health Court.

Review Hearing
Review hearings are a central feature of BSW-MHC. Participants appear regularly before the Judge who reviews progress. During the Review hearing, the Court is provided with any additional treatment status reports and other information from a variety of sources. Mental Health Court judges shall conduct at least two Mental Health Court sessions per month. If non-weekly Mental Health Court sessions are held, then in any week in which a Mental Health Court session is not held, Mental Health Court staff shall meet with participants for individual sessions.

Treatment Plans
Treatment plans are flexible and adjusted based on a client's individual needs and goals. They take into account the client's baseline functioning, individual capabilities, and holistic needs including physical, mental, and spiritual interests. Treatment plans are altered to reflect the client's progress.

6. extended curfews; and
7. other incentives approved by BSW-MHC team.

Service Adjustment for Non-Compliance with Mental Health Court Requirements

Each participant shall comply with all requirements and other conditions established by Mental Health Court. Failure to comply may result in the judge imposing service adjustments upon the participant. Service Adjustments may include, but are not limited to:

1. coaching from the judge;

2. residential mental health treatment in compliance with KRS 202A;
3. community service;
4. delayed phase promotion;
5. increased group treatment;
6. home incarceration; and
7. termination from Mental Health Court.

Graduated service adjustments should be utilized for continuous noncompliance.

Temporary imprisonment would only be used if the judge determines it is necessary to protect the safety and health of the participant or the safety of the community and not used as a sanction.

Involuntary Termination from Mental Health Court

BSW-MHC staff or team may make a recommendation to the judge that a participant be terminated from Mental Health Court due to the participant's non-compliance with Mental Health Court requirements or conditions. Mental Health Court staff shall file a written Affidavit of Violations requesting the judge to terminate the participant from Mental Health Court. The participant shall be informed of the termination in BSW-MHC session unless the participant has absconded. An Order of Termination shall be signed by the judge on a form prescribed by BSW-MHC, and a copy of the Affidavit of Violations shall be attached. Upon signature of the Notice of Termination by the judge, the case shall be referred to the sentencing judge for further proceedings. The Order of Termination shall be filed in the official record by the district/circuit clerk.

In the case of a participant who has absconded for a period of at least 30 calendar days, Mental Health Court staff may complete an Affidavit of Violations. An Order of Termination may be signed by the judge on a form prescribed by BSW-MHC, and a copy of the Affidavit of Violations shall be attached. Upon signature of the Order of Termination by the judge, the case shall be referred to the sentencing judge for further proceedings. The Notice of Termination shall be filed in the official record by the circuit clerk.

Upon termination, the sentencing judge shall schedule the case for a hearing on a criminal motion docket for further proceedings. The Order of Termination and Affidavit of Violations shall be filed in the official record by the circuit clerk, who shall serve the notice of termination on the parties, their attorneys, and probation and parole.

Voluntary Termination

Participants may petition the judge for termination from Mental Health Court. If the judge determines that the request is knowingly and voluntarily made, the judge may terminate the participant from Mental Health Court on a form prescribed by BSW-MHC and refer the case back to the sentencing judge. The Notice of Termination shall be filed in the official record by the circuit court clerk, who shall serve notice of the Notice of Termination on the parties, their attorneys, and probation and parole. The receiving circuit or district shall schedule a hearing on the criminal motion docket for further proceedings.

Administrative Discharge

If a Mental Health Court participant cannot complete Mental Health Court, through no fault of his/her own, he/she may be administratively discharged. If BSW-MHC team determines that administrative discharge is appropriate, BSW-MHC staff shall complete an Affidavit of Administrative Discharge to provide to the judge. If the judge agrees with the accommodation, the judge shall complete a Notice of Termination by administrative discharge on a form prescribed by BSW-MHC and refer the case back the sentencing judge. The Notice of Termination shall be filed in the official record by the circuit court clerk, who shall serve notice of the Notice of Termination on the parties, their attorneys, and probation and

parole. The receiving court shall schedule a hearing on the criminal motion docket for further proceedings.

Successful Completion of Mental Health Court

1. A participant will be determined to have successfully completed Mental Health Court after the participant has:
   a. Completed all four Mental Health Court phases.
   b. If feasible, paid all restitution owed. If the total restitution amount is too great to be paid in full while in Mental Health Court, then a reasonable amount as determined by BSW-MHC team shall be paid prior to being determined to have successfully completed Mental Health Court. The participant may be returned to probation to be supervised for payment of the remaining restitution amount.
   c. Paid all costs, fines or fees.
2. Upon successful completion of Mental Health Court, the sentencing judge or BSW-MHC judge may:
   a. Dismiss the underlying charge(s), if the participant was on diversion, but only after restitution, if any, has been paid in full; or
   b. Modify probation to be conditionally discharged if the participant was on probation or found in contempt of court, but only after restitution, if any, has been paid in full.
3. A Mental Health Court graduation should be held for an eligible participant within 90 days of successful completion of Phase IV of Mental Health Court as outlined above, but in no event shall a Mental Health Court graduation be held later than 210 days after successful completion of Phase IV.

Confidentiality

1. Mental Health Court proceedings shall be confidential, and all proceedings shall be closed unless otherwise authorized by the Judge.
2. Documents contained in a participant's Mental Health Court case file shall be confidential and shall not be released.
3. Due to the treatment component of Mental Health Court, team members shall sign a confidentiality agreement.
4. Mental Health Court team members shall comply with state and federal confidentiality laws regarding treatment information.

Filing of Mental Health Court Documents

Upon utilization of any of the following documents, a copy of such documents shall be filed by BSW-MHC staff with the appropriate court clerk for entry into the court record of the underlying criminal offense. All other Mental Health Court documents shall be kept confidential and under seal:

1. Order referring to Mental Health Court;
2. Notice of Eligibility;
3. Order transferring to Mental Health Court;
4. Affidavit of Violations; and
5. Orders of Termination, graduation, or administrative discharge.

Funding

BSW-MHC will be supported financially by grants or other government or private sources.

Student Interns

The Court may establish and maintain a Mental Health Court Student Intern Program. The Court shall establish policies relating to the program and shall have the authority to approve the acceptance of any

student intern working in the BSW-MHC. All interns shall be required to sign a confidentiality agreement and submit to background checks administered by the Administrative Office of the Courts.

Volunteers
Volunteers may be permitted to participate in BSW-MHC to the extent allowed by the Judge. All volunteers shall be required to sign a confidentiality agreement and submit to background checks administered by the Administrative Office of the Courts. BSW-MHC shall establish policies relating to the use of volunteers.

Drug Testing
Drug testing may be administered to any Mental Health Court participant on a regular and random basis, or upon a reasonable suspicion of drug use. The Court shall utilize the vendor approved under contract with the Administrative Office of the Courts utilizing policies and specifications as authorized by BSW-MHC. All Mental Health Court participants shall be required to make themselves available for specimen collection as required by the BSW-MHC Team for that participant. BSW-MHC shall be authorized to establish further policies and procedures relating to drug testing.
