

Supreme Court of Kentucky

2026-29

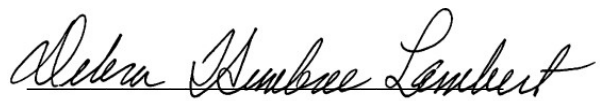

IN RE: ORDER IMMEDIATELY SUSPENDING SCR 3.503(6)

Supreme Court Rule (“SCR”) 3.503(6) requires applicants seeking reinstatement after a suspension prevailing longer than five years to take a short-form examination, often referred to as the “Mini-Bar.” The 2026 proposed amendments to the Supreme Court Rules on Attorney Discipline, with a proposed effective date of July 1, 2027, call for the elimination of this requirement.

The Court, having voted to amend SCR 3.503(6) to eliminate this requirement, hereby ORDERS that the requirement in SCR 3.503(6) to complete a short-form examination is suspended, effective immediately.

All sitting; All concur.

Entered this 18th day of August 2026.
