ORDER

**IN RE: ELECTRONIC RECORD OF THE WORKERS’
 COMPENSATION BOARD**

Kentucky Rule of Civil Procedure 76.25(5) requires “upon receipt of the petition, the clerk of the Court of Appeals will request that the original record of the Workers’ Compensation Board be prepared by the board in conformity with CR 75.07(9) and (10), certified within a maximum of 60 days, and transported forthwith to the office of the Clerk of the Court of Appeals.” The Workers’ Compensation Board desires to deliver this record electronically to the Court of Appeals to eliminate the need to print and bind a paper record.

Pursuant to Section 116 of the Kentucky Constitution and the Administrative Rules of Practice and Procedure for the Kentucky Court of Justice Electronic Filing Pilot Project (2018-11), the Clerk of the Court of Appeals is authorized to receive the record and certification from the Workers Compensation Board electronically through the KYeCourts eFiling system or other secure file transfer system. The Clerk of the Court of Appeals shall note the receipt of the record on the docket and cause any electronic files to be stored in its case management system in a manner accessible to the Judges and staff of the Court of Appeals.

For appeals in the Supreme Court, upon receipt of a request for record pursuant to CR 75.07(12) from the Clerk of the Supreme Court, the Clerk of the Court of Appeals shall file a certification stating the location of the electronic record contained within the case management system. Further transmission of the record shall not be required, and the Clerk of the Supreme Court shall cause the electronic record so certified to be stored in its case management system in a manner accessible to the Justices and staff of the Supreme Court.

Entered this 20th day of April 2022.
